

■ Saturday 6th July SYLE-Volunteer Marian 🙋 🙄 leaves.

Marian handed over to Servas Malawi her Final SYLE report & we saw her off at the airport. Servas Malawi gave her a large photo book on Wilderness Areas in Africa as a 'thankyou' for all her hardwork in Malawi. **We will be having a Social Film Night soon to watch the film – Rabbit Proof Fence –** which is about the forced taking of ½ Aboriginal children in the 1970 by Australian Authorities.

We hoped you liked your big heavy 📖 book – all about Mvuu Camp and Malawi.

■ Saturday – July 13th July Culford School present 'Receivers'

Culford School on their yearly trip to Malawi handed over the laminated sheets which told the stories of blood receivers (Maria-Cristina SYLE-Volunteer from Italy carried out the research in May). Olive accepted and saw them put up onto the wall.***THANKYOU CULFORD**

■ Junior SYLE-Megan hoping to goto Spain!

Megan McFadden - her fingers crossed as she waits for Schengen visa for entrance into Spain. With airfares escalating and increasing by the day as the kwacha shifts this is proving quite a challenge for anyone wanting to travel overseas.

"Megan I am really hoping to go to Spain – I am ready in my mind, although I am nervous. I am now the Youth and Peace Secretary for Servas Malawi. I am involved in designing a peace mosaic for AYISE's peace Garden inn Bangwe - so that is keeping me busy while I wait."

☞YOUR 'Youth & Peace Secretary' 😊

■ **Leaving Malawi**  **Kasprzyk ARE LEAVING FOR FRANCE!**

There always has to be a time when members leave and the Kasprzyk have been very active swimming, hosting, attending socials, triathaloning. We will miss them & hope Servas Lyon welcomes them warmly & they enjoy being back in France eating cheese
